

**BAMR Paper's Day – Cancellation Notice.**

It is with regret that the Paper's Day meeting, scheduled for Sat 12 Oct at Bletchley, has had to be cancelled through a lack of interest. Although we had 3 excellent Speakers on the agenda this was not sufficient enough to attract a wider audience from the Province, which is regrettable. The Association will plan another event early in the new year. We would like to thank those who applied to attend the cancelled meeting.
